

Member Workdays – Beautification Project

We will be holding two Member Workdays on **April 11th** and **April 18th** from **9:00 AM – 1:00 PM**. We need your help to complete several outstanding projects around the grounds. Your time and talents are greatly appreciated, and any amount of time you can give on either day will help tremendously.

Projects for April 11th:

- Repair boards on bucking chutes
- Clean chutes and ensure all slides are functioning properly (Spray for wasps)
- Hang and paint plywood around the arena
- Caulk around new windows in the clubhouse
- Paint new handrails on the patio
- Mount dusk-to-dawn lights

Projects for April 18th:

- Clean the inside and outside of the clubhouse and kitchen
- Help finish the new clubhouse bathroom
- Complete any projects not finished on April 11th

Please **sign up for a project** so we know what tools will be needed and how much lunch to prepare.

Reminder: Every time you volunteer at any MHA event or workday, your name will be entered into our **year-end drawing for some great gift cards!**

After the workday, we will be holding a **sorting practice**. If you would like to bring your horse and participate, you are more than welcome to join.

Thank you in advance for helping make our grounds look great!
